

REMARKS

Further to the Amendment filed on December 4, 2006, Applicants submit a Supplemental Amendment to claims 11, 12, 14-18, 22, and 23 to replace "cylindrical" with "side wall." Applicants respectfully request that this Supplemental Amendment be entered and considered before the issuance of the next Office Action.

It is believed that claims 11-24, as presently recited, are patentably distinguishable over the prior art of record for at least the reasons set forth in the Interview of November 23, 2006 and the Amendment of December 4, 2006.

It is respectfully submitted that a full and complete response has been made to the outstanding Office Action and, as such, there being no other objections or rejections, this application is in condition for allowance, and a notice to this effect is earnestly solicited.

If the Examiner believes, for any reason, that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at the number provided below.

If any further fees are required in connection with the filing of this amendment, please charge the same to our Deposit Account debit Account 50-0548.

Respectfully submitted,
